

CARBON CREDITS, WATER CONSERVATION, GOVERNANCE, COMPLIANCE & RISK

MEDIA RELEASE

Gold Coast 30 April 2007

Available for immediate distribution

Carbon Credits, Water Conservation, Governance, Compliance and Risk Management

Leaping out of the SMB crowd with a bold move one step ahead of the spectre of enforced legislation, i.on my business by ThoughtWare provides small and medium business with evidence based software that allows them to capture, monitor and report on how they are progressing with environmentally friendly initiatives such as carbon reduction and water recycling/conservation activities.

The innovative i.on my business software also helps companies manage compliance, map competencies and improve productiveness. Key areas of Accreditation, Governance, Risk Management and overall Compliance are simply managed by this colourful dynamic tool.

ABOUT THOUGHTWARE

i.on my is the concept of ThoughtWare, a privately owned boutique business located on the Gold Coast, Australia. ThoughtWare and it's Directors are multi-award recognised, considered leaders in their fields and have fifteen years experience helping businesses with:

- Quality Systems
- Governance
- Risk, Project and Change Management
- Human Resource Management.

ThoughtWare as a business has been established for 15 years, since April 1991. Sonja Bernhardt has been CEO for 8 years, since February 1999. The owners and directors of ThoughtWare (Dr Robin Craig and Sonja Bernhardt) have multiple degrees and qualifications between them as well as a combined experience of more than 45 years in the information technology, science, biotechnology, computer programming, human resources and research fields.

Utilising a carbon neutral ISP and as a strong supporter of home based workforce ThoughtWare is already leading the way as a carbon friendly firm.
